## SEPTEMBER UPDATE

Hope you all had a great summer and plan to enjoy the amazing fall season. Here is your seasonal update.

### Golf Cart and ATV Licenses

If you have paid for a sticker license for your golf cart/ATV the Board has reviewed the new plate fee and decided to provide the new plates at **no charge**. If you have already paid for the new plate you will receive a credit for the amount on your spring lease invoice. Persons outside the park will receive a cheque for this refund.

### Vehicle in the Park

All vehicles that enter the park must display a Regional Park Sticker or purchase an ELRP day pass. Day passes from other parks are not valid in our Park. These are transferable but if you have more than one vehicle in the park each must display a sticker or day pass. Gate card holders are not allowed to let other vehicles into the park at any time.

### Boat Launch

The boat launch parking is reserved for day campers only. If you are a leaseholder and require extra parking for summer recreation items, please rent a stall in the storage compound. Compound parking is to be paid yearly so if you have not paid for your stall please return your key for your deposit. We now have people waiting to rent.

### No Wake Zone

A reminder regarding the buoys marking the 'no wake zone' in front of cabins in the main beach area. These are in place to reduce the speed of boats as they come close to shore. This will help reduce the wave impact on the shoreline and help to keep swimmers and other water craft users' safe. If you are towing a skier/tuber/wakeboarder keep your boat outside these buoys and let your skier/tuber/wakeboarder cut towards shore on the inside of the buoys.

### Golf Course Artificial Green

The new "green" has been installed on hole number 9 on the golf course. We thank the great volunteers that have installed the green and spent the summer doing all the hard work required to keep our course in excellent shape this season!

VOLUNTEER APPRECIATION NIGHT – SATURDAY SEPTEMBER 9 – 5:00PM MAIN STORE  
(Please bring your own chair)
